# 24-Hour Break Down Assistance Line

Available for:

**TB Wood's Form-Flex®** and **Torsiflex-i**  
**Ameridrives Amerigear Coupling Products**

**After Hours &  
Weekend Support**  
**512-353-4000**

Breakdowns and machining problems don't always occur during the 9-5 workday. That's why TB Wood's Form-Flex® and Torsiflex-i couplings and Ameridrives Amerigear coupling products have 24-hour support.

Call anytime and someone is available to help.

Opening fee does apply. An additional fee also applies for any machining to be done if the parts/materials are available. Customer is responsible for arranging the delivery.
